10 Quick Questions To Guide Clarity & Direction Around Mindset, Behaviour & Personal Leadership

MINDSET

- When dealing with your business (or life), what is your mindset towards it? Your approach?
- If you could work on one aspect of your mindset, what would it be? **Focus on that.**
- What characteristic in others do you wish you had more of? **How do we cultivate that?**

BEHAVIOUR

- What repeat pattern are you seeing, in your business (or life)? **A great place to start.**
- What feedback do you hear most often from others? **Feedback is a gift of how we can improve our behaviour.**
- If you could amplify (positively) one of your behaviours, which would it be? **Do more of that!**

PERSONAL LEADERSHIP

- Where do you want to LEAD more?
- What does that look like?
- How do we start doing that (above)?
- Where do you feel disempowered? **Another good place to work on.**
